A Farewell To Russell A. Newell

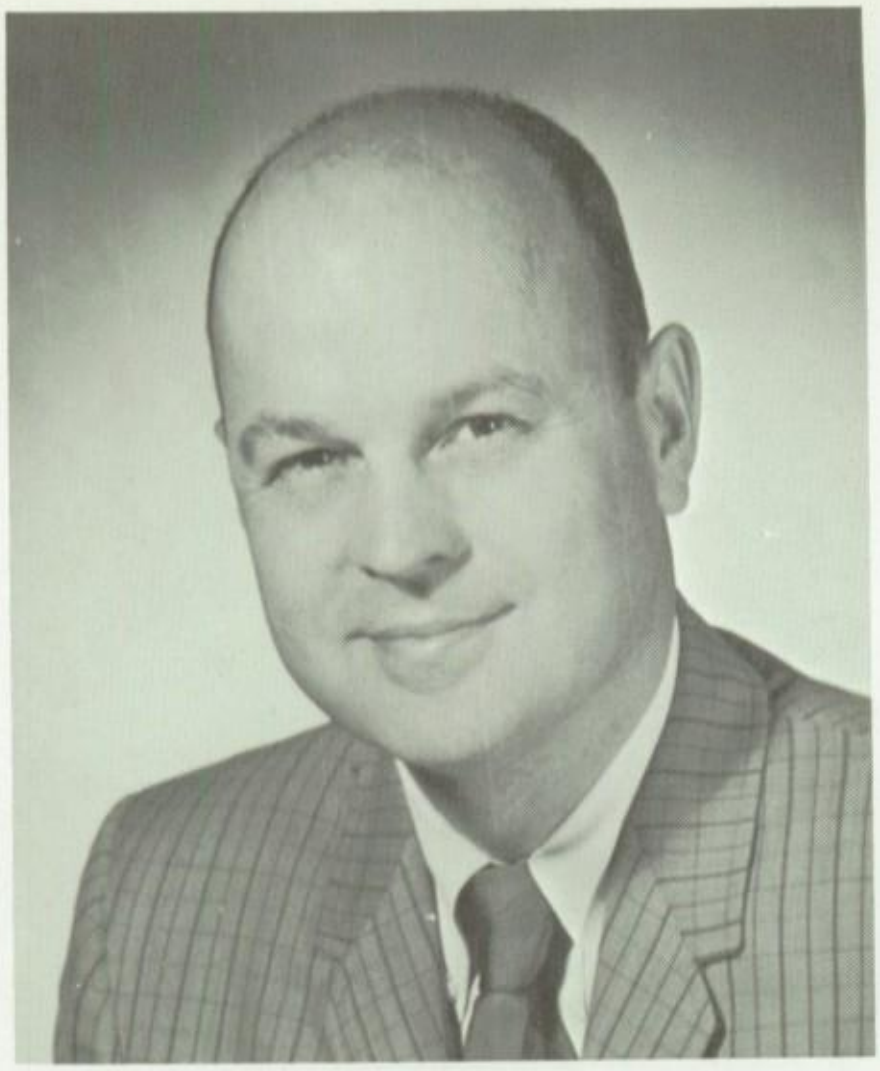
At the end of this year, Pennfield will be losing many people as usual, but with the close of the 1971 school year, Pennfield Schools will also close the door on an era. For, after this year Mr. Russell A. Newell, our 1st and only superintendent — the man who built and made the Pennfield School System what it is today — is retiring.

A man who began teaching in the Upper Peninsula at 19, Mr. Newell came to Pennfield Agricultural Schools in 1952 and took over as the Superintendent of a few small elementary schools and brought the small Pennfield District through the hard times and growing pains of its early history.

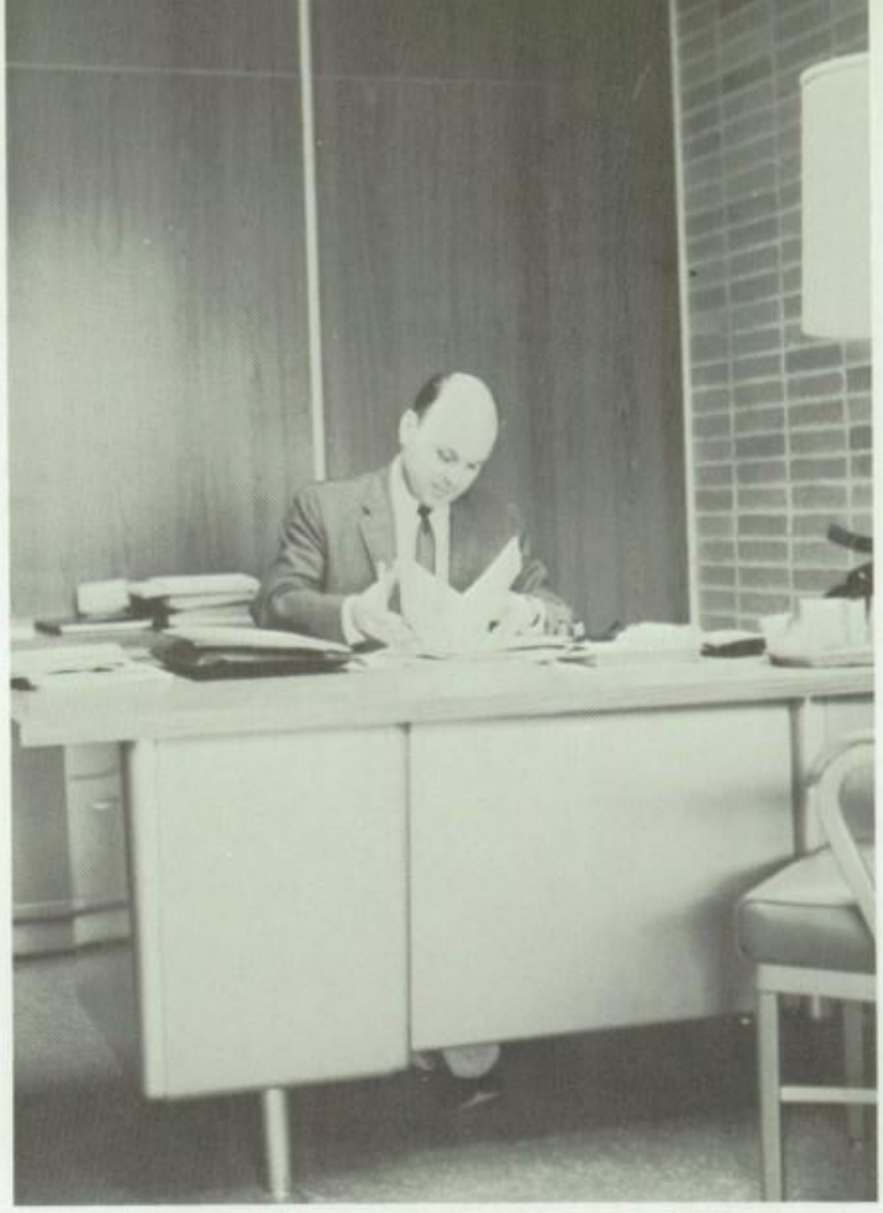
Through the times when 9th grade and older students had to transfer to B.C. Central for high school, up until the present, R.A. Newell has served us well.

We owe him more than just our gratitude and thanks. We owe him our school system and educational process at Pennfield.

Good Luck and our heart felt thanks to you, Mr. Newell.



Assistant Superintendent — Harold Creekmur



STANDING LEFT TO RIGHT: Floyd R. Thorson, Roger L. Gay, Rõnald K. Snyder, Harold Creekmur. **SEATED:** Donald B. Pope, Russell Newell, Olin A. Barnhill, Robert W. Barker, John ter Avest.

The nine member Board of Education is responsible for all policy making in the Pennfield School district. Their policies affect all students as well as administrators. The modern school buildings and excellent policies are all a credit to the school board.

GAA

This year P.H.S. has a new club, the G.A.A. which stands for Girl's Athletic Association. It is open to all girls in grades 9-12. The new Physical Ed. teacher, Nancy Lapekas, is sponsor of the club. Miss Lapekas lets the girls do things that she is unable to let them do in gym class. They also have "play" days every so often. This is when all of the schools in the Battle Creek area get together and do different activities, some taking place at K.C.C. Biology Club

The Biology Club is one of the more active clubs during the school year. During the fall they took a canoe trip to Pine River and at Christmas had an ice skating party. The club also took another trip during the spring. At the meetings guest speakers, such as Mr. Barnet, attended, while at others the members had discussions and movies.
